

# THE NAGS HEAD

## BEVERAGES

Our beverages are carefully selected from quality and sustainable producers. We love to serve great tasting and refreshing drinks including those looking for non-alcoholic refreshment.

We try to source locally and endeavor to seek natural products where possible including our range of artisan soft drinks.

Please ask to see our full wine list and look out for our director's favorites marked with a ★

We feel these wines offer exceptional value for money and are usually from small producers.
